Subject: FW: Letter from EPA to Councilman Pourier requesting to give presentation to Land & Natural Resources Committee on Monday, July 18, 2016
Attachments: EPALettertoCouncilmanPourier.pdf

Just FYI – I emailed the attached letter to Councilman Pourier, Chairman of the Oglala Sioux Tribe Land & Natural Resources Committee (LNR). I also asked the Secretary of the LNR to forward the letter to everyone on the LNR Committee. In a separate email, I also asked her to print a hard copy of the letter to give to Councilman Pourier, per suggestion of Suzy Mesteth, the OST Environmental Director.

Thanks, everyone, for your help in getting this letter out!

Subject: Letter from EPA requesting to give presentation to Land & Natural Resources Committee on Monday, July 18, 2016

Hello Councilman Pourier,
I appreciate you attending the meeting at our EPA office on June 17. At that meeting, the Tribe asked us to present our community outreach plan for the proposed Dewey-Burdock uranium recovery project to the Land & Natural Resources Committee.

Please find attached the letter requesting to give this presentation to the Committee on Monday, July 18. We are requesting a reply from your office by Friday, July 8 so we have time to prepare our travel orders for the meeting. You will receive a copy of this letter through the mail, too.

I am also requesting that Ms. Yellow Hair forward this email to the rest of the LNR committee members so they may receive courtesy copies of this letter.

Thanks to both of you,

Valois
